- Travel of individual County commissioners and their aides shall be approved in advance, whenever possible, by the Board of County Commissioners via an agenda item at a regularly scheduled Board meeting. Other Authorized Persons:

- Consultants and contractors, traveling on a cost reimbursement basis, must have their travel authorized by the department head from whose budget the travel expenses will be paid and the County Administrator.

1. traveler;
2. supervisor;
3. division head, if different than supervisor;
4. department head;
5. County Administrator (except County Attorney).

The following guidelines should be used when approving requests for travel:

- Funds are available in the budget.
- A determination is made that a public purpose is achieved in taking the trip.
- The number of persons traveling is the minimum number required to accomplish the purpose of the trip.
- The method of travel (e.g., air, vehicle) is specified and the routing and other arrangements are the most economical available and result in the shortest time away or the lowest overall cost consistent with the distance to be traveled and the purpose of the trip.

SECTION VIII: TRAVEL ADVANCES

If not using an authorized Leon County purchasing card, officials and employees may obtain travel advances upon approval of the Travel Request form. The advance amount must be indicated on the Travel Request form and should be submitted to Finance at least ten (10) working days prior to the start of travel. Advances should not be sought for amounts less than ~~\$25~~ \$50 unless an explanation of the necessity for the advance is provided.

Travel Policy  
Page 5

Upon completion of the travel, all travel advances should be settled within ten (10) working days of return from traveling. No advances for additional trips should be given until all prior advances have been settled. Failure to settle advances promptly may result in disciplinary action.

It is the responsibility of the authorizing division to ensure that the traveler complies with this section of the policy. Exceptions to this section of the policy may be made upon written justification of circumstances which necessitate multiple advances.

SECTION IX: PREPAYMENT OF CHARGES

Certain items, such as airline tickets, lodging, car rental or registration fees, may be prepaid upon approval of the Travel Request form. The amount to be prepaid, the payee, and the payee's address and vendor number must be indicated on the Travel Request form and should be submitted to Finance ten (10) working days prior to the date that the check payment is needed. The authorized Leon County purchasing card is the preferred payment method: (Refer to Leon policy 12.04 pertaining to use of Purchasing Card). If a Purchasing Card is not used, the traveler should also indicate whether the advance payment checks will be picked up by the traveler or whether they should be mailed directly to the vendor. ~~The Purchasing Card may also be used for this purpose, following approval of the Travel Request form. (Refer to the policy pertaining to use of the Purchasing Card.)~~ The requirements in Section VIII and Section X for filing Travel Expense Reports and settling advances also apply regardless of payment method, to use of the Purchasing Card.

SECTION X: REIMBURSEMENT OF EXPENSES

Within ten (10) days of completing authorized travel, travelers must file a Travel Expense Report form. The Travel Expense Report should reflect the entire cost of the trip, including all advances and direct payments made. The traveler must sign and date the Travel Expense Report form for completeness and correctness as to the actual travel performed. The completed Travel Expense Report form must then be signed by the appropriate division head and department head or their designee. The form is then forwarded to Finance for final review and processing. If the County is due a return of funds from the advance, a check payable to the County should be attached to the Travel Expense Report with a request from the traveler for a receipt from Finance.

The following describes allowable expenses and the documentation required. In general, where receipts are required, original receipts should be submitted. If an original receipt is not available, an explanation must be included on the Travel Expense Report. Further, a copy of the meeting/conference/convention/training agenda, when one is provided, must be attached to the Travel Expense Report. When one is not provided, this should be indicated on the form.

Any changes or additions to the cost of the travel made after the Travel Request form was approved must be explained on the Travel Expense Report form.

A. Meals and Lodging: Class "A" and Class "B" Travel

1. Travel outside the County/State in order to conduct bona fide County business shall be reimbursed by either of the following methods for each day of such travel at the option of the traveler, provided that the same method of reimbursement is used to calculate each day of the travel (i.e., the entire trip will either be based on the per diem rate or based on actual expenses plus meal allowances):

a. Daily Per Diem: the authorized most current standard federal government (General Services Administration, GSA) per diem rate to include both lodging and meals as set by Florida Statutes Chapter 112, or

b. the actual expenses for lodging at a single occupancy rate, to be substantiated by paid bills, and for meals not to exceed those in Florida Statutes Chapter 112. ~~Currently, they are: and~~

(1) ~~Breakfast \$3~~

(2) ~~Lunch \$6~~

(3) ~~Dinner \$12~~

~~No receipts are required to be submitted to claim these meal reimbursements.~~

c. Meal expenditures will be reimbursed according to the most current federal government General Services Administration (GSA) per diem meal rates. The GSA provides for differential rates depending upon the location of travel. This approach recognizes cost differential between various cities. For cities not included in the GSA list, the standard rate applies. The following times shall be used to determine when meal reimbursements may be claimed:

Breakfast: when travel begins prior to 6:00 a.m. and extends beyond 8:00 a.m.

Lunch: when travel begins prior to noon and extends beyond 2:00 p.m.

Dinner: when travel begins prior to 6:00 p.m. and extends beyond 8:00 p.m.

2. When claiming the \$50 per diem rate for Class "A" or "B" travel including meal reimbursements, the traveler shall be reimbursed one-fourth of the authorized rate of per diem and meal allowances for each quarter, or fraction thereof, of the travel day included within this travel period (i.e., \$12.50 per quarter). No receipts are required. The travel day is divided into the following quarters:

12:01 a.m. to 6:00 a.m.

6:01 a.m. to 12:00 noon

12:01 p.m. to 6:00 p.m.

6:01 p.m. to 12:00 midnight

Travel Policy  
Page 7

3. Under no circumstances may an employee be reimbursed for any meal or lodging included in a convention or conference registration fee paid by the County. A continental breakfast provided as part of the conference/convention registration fee is considered breakfast and may not be claimed for reimbursement. An evening reception or other function that serves only hors d'oeuvres is not considered dinner and may be claimed for reimbursement. However, should the conference/convention registration fee include the provision of any lunches or dinners, these meals may not be claimed for reimbursement.
4. When a meal is provided by a hotel or an airline, the traveler is not allowed to claim the meal for reimbursement.
5. Reimbursement for lodging expense is limited to single occupancy or occupancy shared with another County traveler. Cost of lodging shared with a non-official or non-employee (e.g., family members) is limited to the single room rate.
6. When traveling within Florida and the authorized Leon County Purchasing Card is not being used, an advance check for lodging should be requested from Finance and picked up by the traveler to bring on the trip in order to qualify for a sales tax exemption. The traveler must also take a copy of the County's tax exempt certificate. No sales tax will be reimbursed for Florida accommodations that should have been tax exempt. ~~As an alternative to securing an advance check for lodging, lodging may be paid for with a County Purchasing Card. A copy of the county's tax exempt certificate should still be brought.~~
7. When lodging, transportation and/or meals are paid or provided by any federal, state or local governmental agency, the traveler shall be reimbursed only for the actual expenses ~~of such lodging or meals~~ paid by the traveler and not paid or reimbursed by another governmental entity. If meals are provided the GSA meal allowance should be adjusted accordingly. ~~—Reimbursement for meals shall not exceed those in Florida Statute Chapter 112. Currently, they are:~~
  - a. Breakfast ~~\$3~~ 20% rounded to the nearest dollar of the GSA meal allowance
  - b. Lunch ~~\$6~~ 30% rounded to the nearest dollar of the GSA meal allowance
  - c. Dinner ~~\$12~~ 50% rounded to the nearest dollar of the GSA meal allowance

B. Class "C" Travel

A traveler shall not be reimbursed on a per diem basis for Class "C" travel, but shall receive subsistence as follows:

1. Breakfast: \$3 20% rounded to the nearest dollar of the GSA meal allowance - when travel begins before 6:00 a.m. and extends beyond 8:00 a.m.
2. Lunch: \$6 - 30% rounded to the nearest dollar of the GSA meal allowance when travel begins before 12:00 noon and extends beyond 2:00 p.m.

Travel Policy  
Page 8

3. Dinner: \$12 50% rounded to the nearest dollar of the GSA meal allowance - when travel begins before 6:00 p.m. and extends beyond 8:00 p.m., or when travel occurs during night time hours due to special assignment.

C. Transportation

All travel must be by a usually traveled route. If a person travels by an indirect route for his own convenience, any extra costs shall be borne by the traveler and reimbursement for expenses shall be based only on such charges as would have been incurred by a usually traveled route. No person shall be reimbursed for transportation from home to office or office to home.

1. Air - Coach fare by the route and/or rate best suited for the interest of the County is allowed and must be documented by a paid receipt. Should a traveler select a different route and/or rate, for their own benefit, reimbursement will be limited to coach fare and the route that best suits the interest of the County. Reimbursement of first class air fare is specifically limited to trips under emergency conditions when coach accommodations are not available. In those instances where an electronic airline ticket was purchased, documentation should include a copy of the traveler's itinerary, identifying the purchase of the airline ticket or a separate paid receipt for the airline ticket.
2. County-Owned Vehicles - When available, County-owned vehicles may be used for travel. Receipts for expenses must be presented.
3. Private Vehicle - Use of a private car for travel is authorized when approved on the Travel Request form. A traveler using his/her privately owned vehicle will be reimbursed at the State most current IRS rate in effect on the date(s) of travel (~~Ch. 112.061(7)(d), F.S.~~), which is currently \$ .29 per mile. All mileage shall be shown from point of origin to point of destination. When possible, mileage should be computed and reimbursed on the basis of the current map of the Florida Department of Transportation for in-state travel. Alternate methods of computing mileage, such as the use of an Internet website, may be authorized on the Travel Request form if supported by appropriate documentation. Road and bridge tolls may be claimed in addition to mileage upon presentation of receipts. Vicinity mileage necessary for the conduct of official business is allowable but must be listed separately on the reimbursement request and the purpose explained.
4. Train or Bus - Travelers must use the most economical accommodations on short trips not involving overnight travel. On longer trips, travelers are entitled to comfortable single accommodations. However, in no case will reimbursement exceed the Coach Air rate to the destination.

5. Taxi, Limousine, Public Transportation, Parking and Car Rental - The actual costs incurred for normal use of taxi, limousine, public transportation and parking are reimbursable. Receipts are not required for reimbursement of parking, taxi, limousine and public transportation costs that are less than \$20.00 per traveler per trip. "Per trip" shall be the trip authorized by the Travel Request form not each ride in public transportation. When these items cumulatively exceed \$20 during the duration of the travel, receipts are required to document the full amount. In those cases where receipts are not available (i.e., mass transit tokens) reimbursement may still be sought with an explanation of the circumstances.

Car rental expense is reimbursable but only when prior approval is obtained on the Travel Request form and a receipt is attached. However, a County - approved traveler should not purchase collision-damage waivers when renting a car, as the County's self-insured program is adequate to cover claims. The purchase of "Personal Accident Insurance" by a traveler is also non-reimbursable as employees on authorized business are covered under Workman's Compensation. The state contract for car rental providers should be used whenever possible. Expenses incurred for collision-damage waivers or personal accident insurance will not be reimbursed unless prior approval of an exception is granted.

- D. Telephone and Fax  
Only the cost of business calls and faxes with a stated business purpose are reimbursable. "Collect" calls to County offices are acceptable when required.
- E. Registration Fees  
Fees for registration, including meals and other programmed events sponsored by the conference or convention organization, should be prepaid wherever possible. Optional Fees for recreation and/or entertainment activities associated with a conference or convention are not reimbursable. Fees for non-County officials or non-County employees (e.g., family members) to participate in activities are not reimbursable.
- F. Miscellaneous  
Any other necessary expense, not otherwise provided for but incurred for the benefit of the County, must appear together with an identification explanation on the Travel Expense Report form. Other miscellaneous gratuities for hotel, taxi, airport, porters, etc. should be identified here. The amount should be reasonable and, whenever possible, the traveler should obtain and attach receipts to the expense report to substantiate miscellaneous expenditures.

#### SECTION XI: LOCAL MILEAGE REIMBURSEMENT

Reimbursement for local mileage shall be submitted on the Local Mileage Reimbursement form and shall specify:

- the date of the travel,
- the origin,
- the destination,
- the number of miles traveled,
- the purpose of the travel, and
- the amount requested for reimbursement.

If the expenses being requested for reimbursement pertain to use of a privately owned vehicle, the reimbursement amount is calculated by multiplying the number of miles traveled by the most current IRS mileage allowance ~~provided for in Florida Statute Chapter 112~~, which is currently \$.29 per mile. No receipts are required.

If the expenses being requested for reimbursement pertain to use of a County vehicle, receipts for actual expenses for fuel or tolls must be attached.

The Local Mileage Reimbursement form shall be submitted monthly. The Local Mileage Reimbursement Form must be signed by the employee requesting the reimbursement and the appropriate department head or his designee.

#### SECTION XII: TOURIST DEVELOPMENT TRAVEL

In accordance with Florida Statute 125.0104, the Tourist Development department is authorized to provide, arrange, and make expenditures for transportation, lodging, meals, and other reasonable and necessary items and services in connection with the performance of promotional and other duties. Entertainment expenses shall be authorized only when meeting with travel writers, tour brokers, or other person connected with the tourist industry. All travel and entertainment-related expenditures in excess of \$10 shall be substantiated by paid bills and justification shall be provided on the Travel Expense Report form.

The actual reasonable and necessary costs of travel, meals, lodging and incidental expenses of officers, employees and other authorized persons when meeting with travel writers, tour brokers, or other persons connected with the tourist industry and while attending or traveling in connection with travel or trade shows shall be reimbursed.

With the exception of provisions concerning rates of payment, the provisions of this policy and F.S. 112.061 are applicable.
